

## Assembly parameters

	PROTOTYPING	PRODUCTION
<b>PRODUCTION POSSIBILITES</b>		
	Schedule deliveries	Schedule deliveries
	Turnkey	Turnkey
	Partial turnkey	Partial turnkey
	Repair- rework services	Repair- rework services
	Mechanical assembly	Mechanical assembly
	Electromechanical assembly	Electromechanical assembly
<b>ASSEMBLY TYPES</b>		
	Surface mount SMT	Surface mount SMT
	Thruhole THT	Thruhole THT
	Mixed thechnology SMT and THT	Mixed thechnology SMT and THT
	Single or double sided placement	Single or double sided placement
<b>SOLDER TYPES</b>		
	Leaded	Leaded
	Lead-free - RoHS compliant	Lead-free – RoHS compliant
	No clean process available	No clean process available
<b>COMPOENT TYPES</b>		
	As small as 01005 package size	As small as 01005 package size
	As small as 0.25 mm pitch	As small as 0.25 mm pitch
	With x-ray inspection	With x-ray inspection

\* All other specification can be verified during ordering process
